

Korean Beef Barbeque

Capturing The Boldness Of Korean Barbeque.

CAFÉ H® globally inspired proteins are known for delivering worldly influenced tastes, allowing you to create dishes that nod to the many different cultures and dining desires of your patrons. Like our Korean Beef Barbeque. Taking cues from the rise of Korean barbeque, this unique offering will add on-trend excitement to your menu.

Korean Beef Barbeque

With CAFÉ H® globally inspired proteins, you can now bring the buzz of Korean food to your menu with Korean Beef Barbeque. Inspired by the growing popularity of Korean barbeque, this fully cooked beef features a flavor profile highlighted by garlic, ginger and soy. This product allows you to reach a bit farther around the globe to bring the tastes of the Asian region to your menu. Like all CAFÉ H® proteins, Korean Beef Barbeque allows your operation to enjoy these advantages:

- **Unique flavor profiles**
- **Menu versatility**
- **Easy preparation**
- **Consistency**
- **Strong profit potential**

Indistinguishable From Scratch.

When you don't have time, equipment or staff to do it the way you want, turn to CAFÉ H® globally inspired proteins. These Ultimate Ingredients are crafted with high-quality meats, authentic spices and time-tested methods that produce something indistinguishable from scratch.

Reflect The World On Your Menu.
