BRING THE PARTY TO YOUR CUSTOMERS!

We are excited to bring you the **NEW Taco Bell Snacking Nachos!** The sauce flavors, fire and mild, you grew up with and love are flavoring nacho chips for the first time. These on-trend flavors appeal to millennials (there's a reason Taco Bell has 316 million social media followers!) Taco Bell's 7,000 restaurants serve over 1 million servings of nachos and 11 million sauce pouches a day.

These chips a perfect addition to any grab-and-go lunch or offered as a snack!
