# Welcome

# Back to School

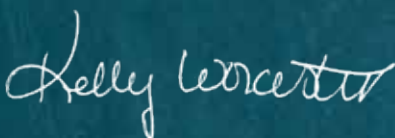

Welcome Back!

It seems like every summer goes by quicker than the one before it. As we look forward to the 24/25 school year, I am sure we all are experiencing some sort of excitement and maybe some stress. A new school year is always exciting, especially for your students. They have new clothes, new school supplies, new teachers, meeting new friends as well as experiencing the new menus that you have worked so hard on to organize and prepare. For some Directors and staff, it can be stressful with new regulation changes, having students with specific food restrictions, some of you may be understaffed, and the list goes on. Dennis Food Service is here to help support you in any way we can to make sure you have the products and information you need to have successful and creative breakfast and lunch programs.

I encourage you to utilize this informational packet along with our Dennis K12 website and Dennis K12 Facebook page to help implement your imaginative menu ideas, find new items and ideas, rebates and so much more.

I look forward to working with each of you and making school year 24/25 a successful one.

Thank you,

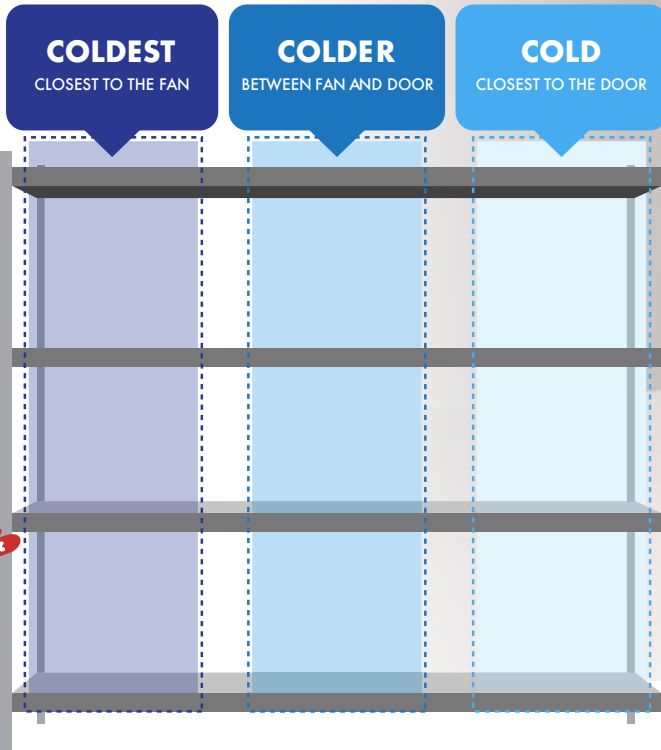

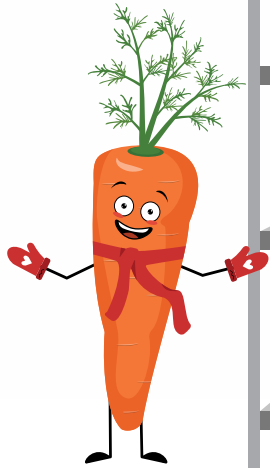

Kelly Worcester
