# Welcome Back to School

## Welcome Back!

Every year, the back-to-school season seems to arrive faster, and with it, a mix of excitement and new challenges. As we step into the 2025-2026 school year, we recognize that the world of education continues to evolve. From shifting regulations to rising student needs and ongoing staffing shortages, school foodservice professionals are navigating more than ever before.

Through it all, one thing remains the same - your commitment to nourishing students and creating welcoming mealtime experiences. Whether it's introducing new menu ideas, accommodating dietary restrictions, or simply making it through a busy lunch rush, you are at the heart of every school day. And we're here to stand beside you.

At Dennis Food Service, we're proud to support your work by offering dependable products, smart solutions, and creative inspiration to help your program thrive. Use this brochure, along with our Dennis K-12 Website and K-12 Facebook page, to explore innovative items, tap into resources, discover rebates, and bring your menu visions to life.

We're here for you this year and every year. Let's make the 2025-2026 school year one of resilience, creativity, and continued success...together.

Thank you,

Kelly Worcester

## CUP CEREAL STORIES FROM OPERATORS LIKE YOU

### "OUR CEREAL SALES WENT THROUGH THE ROOF!"

"We saw a 10 percent uptick in milk sales each week, beginning with National School Breakfast Week, and it continued through the end of the school year."

- KAREN HALLFORD, GWINNETT COUNTY PUBLIC SCHOOLS NUTRITION DIRECTOR

### "BRANDS MAKE IT EASY!"

"The variety and brand recognition of General Mills 2 grain cup cereals have helped our program grow. We appreciate how easy they make keeping up with the regulations and sugar requirements, and my staff and students both prefer 2 grain cups because they only have to grab the one product to get their grain servings."

- EMILY HANLIN, EXECUTIVE DIRECTOR, FOOD AND NUTRITION SERVICES AT COBB COUNTY SCHOOL DISTRICT

### "KIDS LOVE THEM & OUR PARTICIPATION IS HIGHER!!"

"We use the 2 grain cereal cups in our Elementary, Middle and High Schools breakfast menus. Before, we were using the 1 oz cereal bowls and adding an extra item. 2 oz cups are more convenient because they meet the 2 oz grain and less labor is required."

- SOUTHSIDE ISD, CHILD NUTRITION SPECIALIST SAN ANTONIO, TX

## RECIPE IDEA

# "Italian" Dogs

### INGREDIENTS

1 sheet (32 sticks) Bridgford White Whole Wheat Cheesy Garlic Breadstick Dough,

32 hot dogs

### INSTRUCTIONS

Break apart 32 Bridgford Cheesy Garlic Breadsticks from case. Let dough thaw until pliable – about 15 minutes (if it is completely thawed, it will be very messy). Lightly grease sheet pans. Taking one hot dog, wrap one breadstick around the hot dog and place on prepared pan. Repeat with remaining hot dogs and breadsticks, spacing them on sheet pans 1-2 inches apart. Bake in a preheated 325°F convection oven (375 degrees for conventional) for 12-15 minutes or until golden brown and hot dog is heated through.

### SERVINGS

32 Italian Dogs  
(1 oz. equivalent grain serving each).
